# Hello!

MAKING LIFE SWEETER, ONE CAKE AT A TIME

Welcome to greater Columbia's sweetest spot! As owner, baker, designer and decorator, Brianne specializes in bespoke buttercream cakes for all occasions, sure to make your celebrations & soirees even sweeter! I bake my unique flavor creations from scratch in small batches out of my home in Irmo, South Carolina. As a licensed cottage bakery, my cakes are carefully crafted with high-quality ingredients to ensure textures and flavors that will make your taste buds come alive.

I've combined my signature recipes with a detail-oriented customization process to ensure a final product that looks too pretty to eat but way too delicious not to eat! YES, it can be both! Let's get creating the cake of your dreams that reflects your style, flavor preferences, and total number of guests. The purpose of this guide is to give you all the information you need to start the process!
